

## **Eurobase appoints Maryann Fitzgerald to drive its insurance division**

**London, UK – 1<sup>st</sup> December 2006** – Eurobase International Group, the IT Solutions Provider, announces the appointment of Maryann Fitzgerald as Head of Insurance Sales as part of the company's further expansion in the international insurance and reinsurance markets.

Fitzgerald joins Eurobase from technology giant, Fujitsu, where she specialised in business and technology transformation for blue chip organisations. Prior to that, she was with software provider Sirius Financial Solutions. Maryann brings over 20 years insurance market, business development and IT experience to her new role, where she will drive sales of Eurobase's insurance solutions suite and guide new product development.

"Joining Eurobase was an opportunity I could not refuse. I look forward to using my specialist knowledge of the market to help the company better serve its existing customers, as well as drive new business leads," Fitzgerald says.

John Wilson, CEO at Eurobase International Group, comments, "Maryann's skill sets are hard to find and she will bring exceptional knowledge and enhanced expertise to our organisation. We are delighted to have her on board and look forward to further growth of our insurance business over the coming year and beyond."
