

***Gulf Insurance selects Eurobase Insurance Solutions as
its partner of choice***

London, UK – 6th October 2008 – Gulf Insurance Limited, a leading provider of Property, Casualty and Motor Insurance services has chosen Eurobase’s single integrated platform ‘Synergy GI’ as the platform to support their complete General Insurance requirements.

Gulf Insurance Company has chosen the Synergy GI application because of its tight integration between its underwriting, reinsurance, claims management and accounting processes, its real time management information and easy access to data to enable effective reinsurance budgeting.

Mr Gerrard Lee Inniss, Executive Chairman of Gulf Insurance Company, said “We selected Synergy GI because of the application’s proven capability to support a diverse range of business requirements from a single package. Synergy GI will provide a modern platform which will support Gulf’s rapidly expanding agency network, whilst enabling the business to take advantage of the sophisticated products facility, for ultimate competitive advantage. We are delighted to be working in partnership with Eurobase”

Commenting on the win, Maryann Fitzgerald, Director of Insurance Sales at Eurobase, said: “We are delighted that Gulf Insurance Limited has chosen to partner with Eurobase. As a leader in their field we believe the Synergy GI product will underpin the Company’s business requirements for many years to come.

Gulf Insurance has a strong presence internationally and aggressive expansion plans which will ensure that Synergy GI is exploited to its fullest.”
