

Eurobase Insurance Solutions sponsors the Insurance Day Technology Forum London, UK

London, UK – 5th October, 2009: Eurobase Insurance Solutions will be exhibiting its market leading Synergy underwriting software suite and electronic trading platform at the Insurance Day Technology Forum, being held in London at Dexter House – Tower Hill on the 26th November 2009.

Delegates at the forum will have the opportunity to discuss and view the latest technology developments for the insurance and reinsurance industry, as well as sharing visions and thoughts on how technology will impact the future of the London and worldwide insurance markets.

Maryann Fitzgerald, Insurance Sales Director, comments: “Eurobase is pleased to support the Insurance Day Technology Forum, London. As a leading provider of innovative software to the insurance and reinsurance market worldwide, we are looking forward to demonstrating the depth of our synergy branded products and showcasing the Synergy Gateway, which will provide an electronic trading platform for organisations wishing to trade with business partners both at home and abroad.”
