

***Eurobase Insurance Solutions expands city team to capitalise on London Market Success***

**London, UK – 7<sup>th</sup> April 2008** – Eurobase Insurance Solutions is pleased to announce the recent hiring of Rajan Singh, David Skelly and Matthew Richards who have all joined the division to capitalise on recent London Market Success. The new team brings a wealth of experience and in-depth knowledge of the insurance systems market to Eurobase.

Rajan Singh has taken up the role of programme manager, and is already working closely with new and existing clients. Matthew Richards joins Rajan in the management tier and brings considerable project management experience to Eurobase. David Skelly joins as a senior programmer, which will enable others to draw on his knowledge and expertise of insurance software systems.

Eurobase Insurance Solutions has been strengthening its Insurance teams with key appointments over the past 12 months. Confidence in the team that has been assembled is very high as it has already made significant contributions to a number of important new-business wins.

Commenting on the appointments, Maryann Fitzgerald, Director of Insurance Sales at Eurobase, said: “We are delighted to welcome Rajan, David and Matthew to our team. These new additions to the division continue to show our commitment to hire the best talent in the market. We are in a period of unprecedented growth, with a five new clients secured in the last 5 months we

continue to strive towards being the leading software provider to the world wide insurance and Reinsurance markets.“
