

Eurobase People secure 4 year framework agreement to supply contract staff to Logica, the business and technology service company

1st February 2009 – Following on from an in-depth tender process Eurobase People have been re-selected as a key supplier to the business and technology services company, Logica. The framework agreement will be in place for a minimum of 4 years and will cover a wide spectrum of core IT and business functional contract roles that are pivotal to the ongoing success of Logica's business.

The relationship between Eurobase People and Logica spans 10 years, during which time Eurobase has placed over 500 contract staff with Logica. Eurobase is therefore recognised as a valued and committed supplier of contract staff to Logica, hence the award of this 4 year agreement.

Comments Rob Villa-Coleman, Sales Director at Eurobase People, "This is a great opportunity to strengthen and expand upon an already solid partnership Eurobase has shared with Logica for many years. This is an understandable reward for the commitment we have shown Logica backed up by a true understanding of their business needs.
